

WHERE TO STAY

BED-HOPPING WITH LAURA LINNEY

THE GOLDEN GLOBE WINNER AND STAR OF 'MYSTIC RIVER' AND 'THE 'TRUMAN SHOW' SPEAKS TO FRANCESCA BABB

FOUR SEASONS HOTEL GRESHAM PALACE BUDAPEST

'It's in a remarkable location with a magnificent lobby, but what I love most about this place is how the halls and rooms have a very subtle floral scent that's refreshing in the morning and relaxing at night. I also adore the beautiful blue marble tiles in the pool. And I will never forget looking out my window to see Mick Jagger, in an impeccable bespoke suit, leaving the hotel in a car the day after I saw him in concert.' *fourseasons.com*. Doubles from about £320

COVENT GARDEN HOTEL LONDON

'I fall in love with with this hotel a little more every time I come here. The rooms may be small, but what they lack in size they more than make up for with gorgeous textiles and wallpapers. I once lost my voice with terrible laryngitis and my favourite bellman brought up a tray with fresh lemon and honey tea, and his favourite cough syrup. It was perfect.' *fimdahotels.com*. Doubles from £330

THE HOTEL TELLURIDE COLORADO

'When I check into a hotel I want to feel like I'm in a different place, but not anonymous. I want clean and fresh, not sterile or generic. The door staff here greet you with cookies and a drink, and the mattresses are heavenly after a day on the slopes. It's also special to me as this is where I met my husband.' *thehotel telluride.com*. Doubles from about £135

'WHEN I STAY AT A HOTEL I WANT TO FEEL LIKE I'M ON AN ADVENTURE IN A DIFFERENT CULTURE'

THE FALLS VILLAGE INN CONNECTICUT

'If you like New England and are itching for some cider, or want to experience the psychedelic beauty of autumn foliage, this is where you need to be. Falls Village is the second smallest town in Connecticut and the hotel's restaurant and tap room are always packed with lively locals and visitors. The lobster mac 'n' cheese is not to be missed.' *thefallsvillageinn.com*. Doubles from about £205

PALACIO DUHAU - PARK HYATT BUENOS AIRES

'My husband and I didn't leave the grand and elegant Palacio for two days straight, just so we could enjoy the beauty of the rooms, the grounds and the relaxing courtyard. The large-scale rooms are wonderful.' *buenosaires.park.hyatt.com*. Doubles from about £500

Laura Linney stars in 'Nocturnal Animals', out in cinemas on 4 November
